

Hinged Brother Armrest

- Fits Brother PocketJet 6/7 Printer and Paper Roll.
- Designed to mount to either horizontal surface, like a Floor Plate or vertical surface, like a console.
- Easy to use flip-up armrest and printer mount all in one.
- Cable strain relief protects connectors on the printer from damage.
- Height can be adjusted with simple hand tools.
- Armrest position can be adjusted for the user's preference.
